and what they can do to have a more
effective **VOICE**.

VOICE

‘Axis of Influence’ ...

The tool that enables groups to assess their effectiveness in influencing.

Vision for VOICE in Wiltshire

and approach for the sector.*

VOICE & ECHO

Echo is the programme for those in a position of consultation or 'listening' to the voluntary and community sector.

VOICE and ECHO work alongside each other as an effective method of partnership working and communication between different groups and sectors.

What has been done so far?

- Changes UK have trained 12 facilitators from across the Voluntary and Community Sector
- 12 facilitators have formed a strategy that outlines how we will take the programme forward

What Next?

- Pilots to build facilitators experience in delivering the programme on a variety of contexts

Personalisation – CHYP&FAM – Area Partnerships – New Project – Equalities

What Next?

The outcomes from these pilots will inform WIC of good practice and how best the programme can be disseminated/accessible across the County.
