The WIC

The Wiltshire Infrastructure Consortium (WIC) is a County Wide body whose membership is made up of a range of organisations supporting the Voluntary and Community sector through the VCS Assembly and its Communities of Interest

Current priorities

- Bringing to you, the Assembly
- Branding – Website and logo
- Representation, Voice and Influence for the Sector
- Developing effective relationships with our partners in other sectors
- Revising our constitutional arrangements

New Constitutional Arrangements

Following discussions with WIC members are new structural arrangements from April 1st 2010 will change to:

- 1) WIC Board
- 2) WIC Management team

WIC Board

The WIC Board will be responsible for overall strategy and objectives as set out and agreed by the same Board and in consultation with the wider sector and its partners.

WIC Management Team

A non executive group that is responsible for monitoring and discussing the work-plans of the two WIC employees and to make proposals to the WIC Board where appropriate.

The Management Team will provide reports on progress to the WIC Board.

The Future

- Build upon the consistent voice and representation for the sector
- Act on behalf of the VCS Assembly by responding to their needs in the most effective way we can
- Look ahead with a strategic approach to new policy, agendas, issues affecting our future
- Build upon and improve communication
- Look at capacity building for the sector with a holistic approach
- 2 new employees to carry this work forward
